

Nyborg Amtstue, Matrikel for Langeland herred 1688 (*medtaget Magleby sogn*)

Forord

Matriklen for Magleby sogn, Langeland søndre herred 1688 er transskriberet i samarbejde af Finn R. Hansen i Rudkøbing og Jytte Grevsen i Vissenbjerg.

Der er i videst udstrækning anvendt moderne stavning på navne, og hvor det har været hensigtsmæssig er den originale stavning bevaret.

Kursiv i firkant-parenteser ' [] ' angiver notater tilføjet af forfatteren.

Kursiv i forbindelse med navne, angiver at personen ikke længere fæster gården eller muligvis er død.

Fed skrift angiver ejeren af gården/jorden eller måden anvendes blot for at fremhæve teksten.

Ligeledes, for at forbedrer overskueligheden, er siderne trukket sammen, således bogen fylder væsentlig mindre.
